

January 28, 2016

Dear Chase Families,

Today at the Chase School Celebration Assembly, your child learned about an exciting new partnership between Chase Elementary, the EPIC organization, and the Mamakating Public Library.

This collaboration is kicking-off a student reading initiative called

**“Paws and Read a Book!”**

Here’s how it works:

- Go to the Mamakating Public Library and check out a book
- The Library will provide a “Paw Print” like the one pictured below
- Write your name and the title of the book on the “Paw Print”
- Return the “Paw Print” to your classroom teacher
- The Paws will be posted in the main lobby

The more books you check out the more “Paws” you will have!

Our goal is to fill the wall in the lobby with Paws☺

Thank you for all that you do with your child to encourage reading.

Sincerely,

***The Literacy Committee***

Joe Prestianni, Ann Van Etten, Jane Sorensen, and Bill Frandino
