**MAKE-UPS: Reports**  
**In-School Suspension**

In order to make up a missed PE class during ISS, a student must choose a topic from the approved **Topics for Research** list and write a two or three page, research based report. The report should identify the source(s) that were used for information and must be written in the student's own words. All reports must be written using 12 font and double spaced. Be sure to include the date and period of the class missed and the name of your PE teacher.
