Dear Guidance Counselor,

The Delaware Highlands Conservancy is pleased to offer one \$1,000 scholarship for the academic year 2018-19. The scholarship will be awarded to a student in one of the school districts in the Upper Delaware River region.

The Conservancy/Yeaman Scholarship was established in 2004 in honor of the Conservancy's founder, Barbara Yeaman. It is open to high school seniors planning to pursue a career in land stewardship and/or environmental studies, especially those applicable to the needs of the Upper Delaware River region.

I have enclosed one application package. Please copy the forms as needed. The applications must be submitted to our Hawley, PA office by the guidance department by March 30, 2018 for review by the scholarship committee. **A transcript and two student assessment forms must accompany each application.**

The Delaware Highlands Conservancy is a nonprofit land trust working to conserve our natural heritage and quality of life of the Upper Delaware River region—and we know that protecting our natural world into the future means educating our youth today. To learn more about the Conservancy and our mission, please visit www.DelawareHighlands.org.

Please call me directly at 570-226-3164 x. 1 or contact me by email at bethany@delawarehighlands.org if you have any questions. Students will be notified in May of the committee's selection and the scholarship award will be sent directly to the chosen college in fall 2018 upon proof of enrollment.

Sincerely,

Bethany Keene, *Outreach and Development Team Lead*
