To whom it may concern,

The Sullivan Striders Running & Walking Club of Sullivan County is once again offering scholarships to the areas graduating male and female senior athletes participating in their high schools' indoor/outdoor track running program including cross country and race walking. The monies raised from our annual Falling Colors 8K Run and 5K walk enable us to give out these scholarships.

Enclosed you will find the revised Sullivan Striders Club Scholarship Fund guidelines and applications for this scholarship award. The student applying *must* have a running and/or race walking background.

It is very important that you help us by stressing to your student(s) to completely answer all the questions and get the much needed recommendations letters from their coach **and** guidance counselor. Too often applications are submitted incomplete. The awards are presented to the recipient's at our monthly meeting held either June or July. Recipients will be notified once the selection procedure is complete.

Please be aware any graduating senior who will be joining a military branch instead of college/technical school are eligible for this scholarship.

The deadline for the applications to be submitted will be **May 15, 2018**. If you or your student(s) have any questions regarding this scholarship feel free to contact me at 845-313-2560. Leave a message and I will be happy to call you back. Feel free to make copies of this scholarship application. Applications should be sent before the **May 15th** deadline to:
