Re: Rotary Scholarships

Dear Ms. Agosto:

It is our pleasure to provide a letter and application to be duplicated and made available to eligible students graduating this June. The Rotary Club is a service organization and we are particularly seeking applicants who have demonstrated a commitment to their community, including the school, as well as the community at large. The awards are not based upon academic achievement, but a minimum grade point average of 3.2 (out of 4) is required, nor is it based upon financial need.

We would appreciate your calling this scholarship program to the attention of qualified applicants. Please collect the completed applications, attach to each a copy of the student's most recent transcript and forward them so that they are received on or before April 20. They can be mailed/delivered to my office at 10 Saint John St.-Suite 101, Monticello, New York 12701.

We will review the applications and will notify you who has been selected to continue with the interview. We will be making the determination as quickly as possible thereafter with the intention of making the award to the recipients at your award's ceremony in advance of graduation.

Thank you for your cooperation and assistance.

Sincerely,
Monticello Rotary Club
