

Hello, the following is information for MCSD 5th graders that are interested in the Morning Music Guitar Ensemble program.

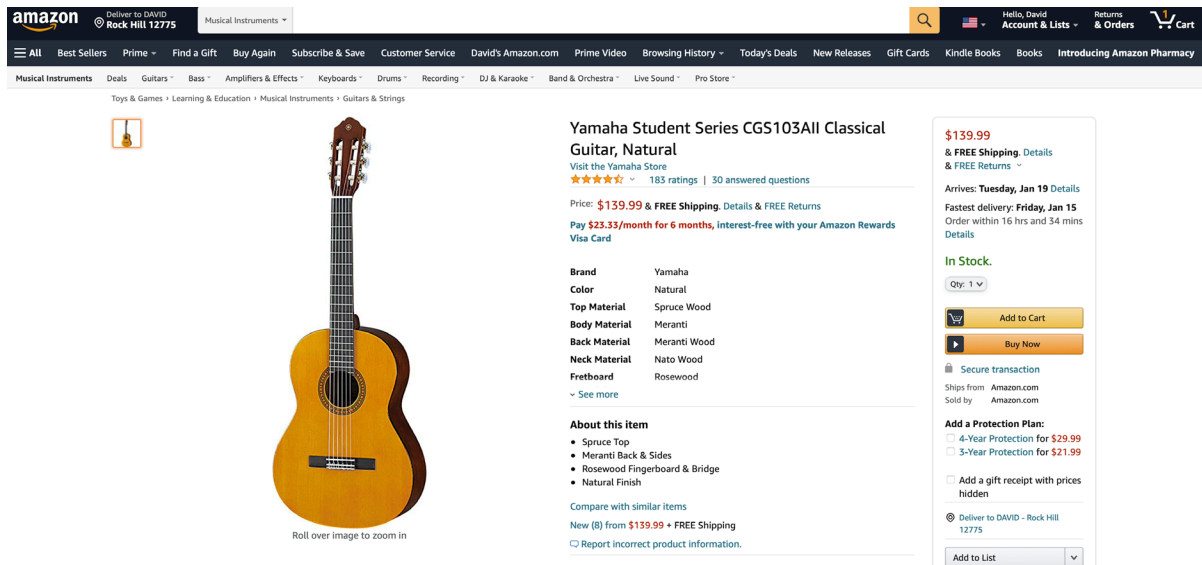

In order to participate in the program your child MUST have a suitable instrument for their age group (size, type etc.) and there is an overwhelming number of options available for purchase. I am providing parents with the best possible option in relation to price, quality and size.

This instrument is appropriate for the age group as it is smaller $\frac{3}{4}$ size and of a very high quality that will be usable throughout the student's k-12 school career in all music programs.

The price on Amazon and other websites is \$139.99 plus tax and you will have the instrument shipped directly to your home in a short amount of time. There is also a payment plan available for \$23.33 per month for 6 months available from Amazon.

Please contact me at dchidsey@k12mcscd.net with any questions about the instrument purchase requirement.
