NY Thursday is an initiative to highlight NY State grown and/or NY State produced items. The multiple local farms and businesses supporting our efforts will be highlighted on the District Website along with contact information. We will continue to indicate these items on our menus and are excited to bring these options to our students.

As we continue to build relationships and expand our local foods community and offerings, our additional grant funding will continue to provide fresh fruits and vegetable healthy snacks to our Elementary students during the days at no charge to our families!
